Program

Effectively Managing Start-Up Packages and Sponsored Projects
Roger McBride will provide suggestions, information and tools for best practices in managing your grant and sponsored projects funds. He will also give a brief overview of where you can find post award information in the new Cayuse SP system. Following the presentation, a diverse panel of post-award experts will be on hand to answer questions and help sort out the best ways to manage your research funding and start-up packages.

Presenter: Roger McBride, associate director, sponsored programs accounting (SPA)

Panelists:
- Jessica Heier Stamm, associate professor, industrial and manufacturing systems engineering
- Brad Kramer, professor and department head, industrial and manufacturing systems engineering
- Chassy Nichols, assistant budget/fiscal officer, Carl R. Ice College of Engineering
